

Desktop Originator Sponsorship Request Reference Guide

To become an approved user of Fannie Mae's Desktop Originator system and/or to name Planet Home Lending as a sponsoring lender follow the steps outlined below.

To Become a Desktop Originator User

1. Go to Fannie Mae's website at: <https://www.fanniemae.com/singlefamily/originating-underwriting>
2. Select "Desktop Originator" from the Applications menu.

3. From the Desktop Originator page select "Register to become an approved user" from the "Tell Us Why You're Here" menu.

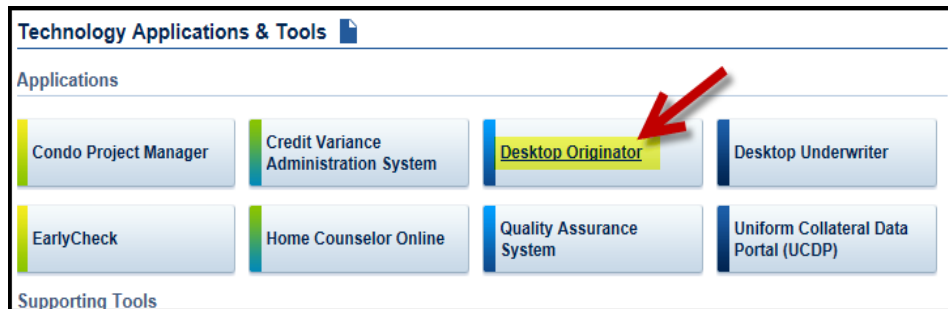

4. Select the “DO Online Registration Tool for Brokers” link under the “Supporting Tools” section.

5. Follow the steps required under the Desktop Originator Online Registration instructions to register with Fannie Mae.

Adding a New Sponsoring Lender

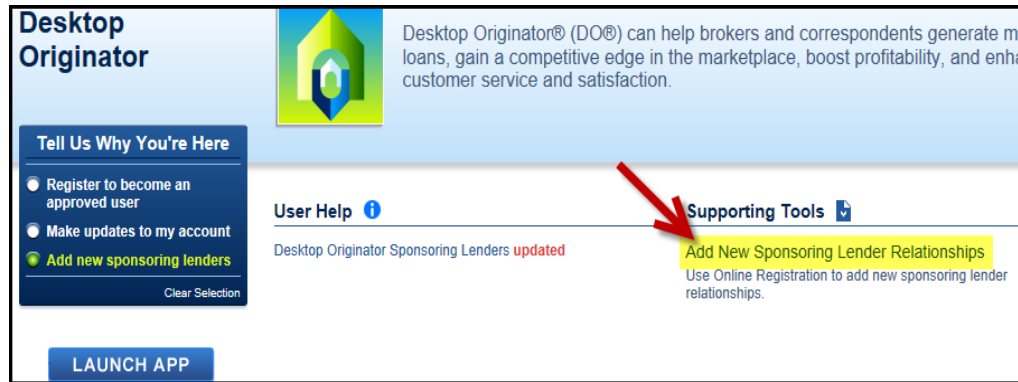

1. Go to Fannie Mae's website at: <https://www.fanniemae.com/singlefamily/originating-underwriting>
2. Select “Desktop Originator” from the Applications menu.

3. From the Desktop Originator page select “Add new sponsoring lenders” from the “Tell Us Why You're Here” menu.

4. Select the “Add New Sponsoring Lender Relationships” link under the “Supporting Tools” section.

5. Follow the steps required under the Desktop Originator Online Registration instructions to select **“Planet Home Lending”** as your sponsoring lender.

Once Planet Home Lending has been selected as the sponsoring lender, Fannie Mae emails Planet Home Lending the request, Planet Home Lending approves, and Fannie Mae sends the requestor an email indicating the sponsorship request has been accepted by Planet Home Lending.
